

Easy Voice Paragraphs

1. **About eight weeks ago, my Uncle Eddie asked Aunt Ann if she would organize all of his old Elvis albums. Aunt Ann agreed, against the advice of her oldest sister, Alice. Alice said that Eddie should organize his own albums.**

2. **Oliver O'Neil has an awesome appetite. He is always asking if there is anything to eat. If no one answers, Oliver examines the area in order to find any edible items. He is especially eager to eat apples, eggs, olives, avocados, artichokes, and apricots. If these items are not available, Oliver asks again about anything else he might eat. If he eventually finds anything, Oliver eats absolutely everything in sight.**
